Escrow Analysis Statement

Dear: COLLEEN M ADAMS

As your servicer, we have safeguards in place to make sure there’s enough money to make the tax and insurance payments. These safeguards protect you from unexpected payment changes. **Based on our review, the escrow account has a shortage. See below for details of what changed as well as when the new monthly payment will take effect.**

1. Your New Monthly Mortgage Payment

The new monthly mortgage payment includes changes to the escrow payment amount and a payment towards the shortage amount. See Sections 2 for what’s changed in the escrow account and Section 3 for shortage details.

New Monthly Mortgage Payment Effective Date: April 2025					
OPTION 1: \$1,120.44			OPTION 2: \$1,135.48		
Pay the shortage in full using the attached shortage coupon or online at MortgageQuestions.com by 3/20/2025.			Pay each month with the mortgage payment. The shortage automatically spreads over 12 months.		
OPTION 1 MONTHLY PAYMENT			OPTION 2 MONTHLY PAYMENT		
	Current	New		Current	New
Principal & Interest Amount	\$630.75	\$630.75	Principal & Interest Amount	\$630.75	\$630.75
Escrow Payment	\$481.07	\$489.69	Escrow Payment	\$481.07	\$489.69
			Surplus/Shortage Amount	\$0.00	\$15.04
Total Monthly Payment	\$1,111.82	\$1,120.44	Total Monthly Payment	\$1,111.82	\$1,135.48
Difference in monthly payment		\$8.62	Difference in monthly payment		\$23.66

**PLEASE NOTE:** If you use a bill pay service to make the payments, YOU must adjust the amount with the provider. If you’re enrolled in Autopay, WE’LL automatically adjust the payment.

2. What Changed?

The new escrow payment includes changes to the tax and insurance amounts. The chart below shows what has changed in the escrow account. The anticipated annual escrow amounts include changes in taxes and Insurance.

HERE'S HOW TO CALCULATE YOUR NEW MONTHLY ESCROW PAYMENT			Tax Insurance Type	CURRENT Annual Amount	NEW Annual Amount
Total [Taxes and Insurance]	Divide by 12 Months	New Monthly Escrow Payment	County Tax	\$553.54	\$553.54
\$5,876.21 /12 = \$489.69			City Tax	\$435.67	\$435.67
			**Other Tax	\$3,268.47	\$3,282.25
			Hazard Insurance	\$1,515.05	\$1,604.75
			Annual Amount	\$5,772.73	\$5,876.21

\*\*Other taxes/other insurance may include school district, village tax, water & sewer, irrigation, agency fees, ground rent and windstorm insurance.

3. Your Escrow Details

A shortage occurs when the anticipated escrow balance is less than the required minimum escrow balance. The **required minimum escrow balance** is the lowest positive balance allowed in the escrow account at any given time.

We require the escrow account to always maintain 2 month(s) of monthly escrow payment. This helps us minimize the impact to the monthly mortgage payment when property tax and insurance rates increase See Section 4 for details .

Required Minimum Escrow Balance	\$3,417.92
Anticipated Escrow Balance	\$3,058.47
Escrow adjusted per Proof of Claim	\$178.95
Shortage Amount	\$180.50

We determine the **anticipated escrow balance** using the current tax and insurance expenses and the anticipated escrow payments for the upcoming year. See Section 2 for details. To balance the account, we compare the estimated lowest account balance to the new anticipated escrow balance. See Section 4 for details.

The difference between the required minimum escrow balance and the anticipated escrow balance can leave a shortage or overage. Based on our review there is a shortage of \$180.50.

4. Anticipated Escrow Amounts

Over the next 12 months, we project the following activity will occur in the escrow account. The required minimum escrow balance in the account should be no less than \$979.37 for the upcoming year. This is known as the low point and is indicated as LP below. The anticipated lowest account balance of \$619.92 will be reached in August 2025. The difference between the required balance of \$979.37 and the anticipated balance of \$619.92 resulted in an Escrow Shortage in the amount of \$180.50.

The letter E in the table above indicates that all or a portion of a payment has not happened but is estimated to happen. An asterisk (\*) indicates a difference from projected activity either in the amount or date.

State and local government agencies assess certain fees for services they render, such as fees charged by tax collectors to an entity making a tax payment. We do not charge any additional fees of our own beyond those assessed by state and/or local government agencies for collecting and paying government fees on your behalf. The full fee amount collected will be forwarded directly to the appropriate government agency.

This communication is from a debt collector attempting to collect a debt; any information obtained will be used for that purpose. It is not intended as an attempt to collect a debt from you personally. As may be required by state law, you are hereby notified that a negative credit report reflecting on an accountholder's credit record may be submitted to a credit reporting agency if credit obligation terms are not fulfilled.

FREQUENTLY ASKED QUESTIONS

What is an escrow analysis?

An Escrow Analysis is a review of your escrow account to ensure enough funds are collected during the year to pay upcoming installments of your insurance premium(s) and/or property taxes. Any increase or decrease to your annual property taxes or insurance premiums may cause the mortgage payment amount to change. We provide details of the annual analysis in the Escrow Account Statement. The statement details the most recent escrow review. You may receive more than one analysis in the year. There are a number of reasons for an interim escrow analysis.

The most common reasons are:

- The loan was acquired from another servicer.
- A material change to insurance or tax amounts due.
- Changes after closing.
- Change in tax or insurance due dates.

How is the required escrow beginning account balance determined?

The required beginning escrow balance is made up of a cushion plus any prorated taxes and insurance needed to fulfill the anticipated disbursements for the next 12 months.

Why did the monthly escrow payment change?

The monthly escrow payment is comprised of 1/12th of all anticipated annual disbursements. If there is an increase or decrease in the annual tax or insurance amounts the monthly escrow payment will change. Please refer to the escrow analysis for a more detailed explanation of the disbursement amounts.

How did you calculate the new escrow payment?

We list all possible disbursements or expenses such as property taxes or insurance premiums to be paid on your behalf for the next 12 months. We take the total and divide the amount by 12 payments. Total anticipated disbursements divided by 12 payments equals the Monthly Escrow Payment. Due to changes in property taxes or insurance premiums, it is possible the escrow account could end up with a balance which is less than the target cushion amount. This is referred to as a shortage.

Any shortage of funds in the escrow account will be determined at the time of the escrow analysis. Additionally, it is possible the escrow account could end up with a balance which is greater than the required cushion amount. This is referred to as a surplus.

What is an escrow cushion?

An escrow cushion is the amount of money set aside in the escrow account to cover any unanticipated costs such as an increase in property taxes or insurance premiums and prevents the escrow balance from being overdrawn. By law the cushion must be no greater than one-sixth (1/6) of the estimated total annual disbursements from the escrow account

If the escrow account has a surplus, when will I receive the overage check?

If the escrow analysis resulted in an escrow surplus greater than \$50.00 and the account is not more than 30 days past due, has not been referred to foreclosure, and the account is not in bankruptcy at the time the escrow analysis is performed, an escrow refund check will either be included with the escrow analysis statement or sent under separate cover within 30 business days.

Any surplus under \$50.00 will be adjusted from the monthly escrow payment.

Where do I send the escrow shortage payment?

You may direct deposit the escrow shortage amount to the escrow account using our pay by phone service or website. There may be fees associated with these payment services. You may also send in funds to escrow by mail. If sending by mail, be sure to write the account number on the check and specify "ESCROW application" on the memo line. Mail to:

PHH Mortgage  
PO Box 371867  
Pittsburgh, PA 15250-7867

Overnight mail:  
PHH Mortgage  
Attn: 371867  
500 Ross Street 154-0470  
Pittsburgh, PA 15250

Once the escrow funds are received, the monthly escrow payment will be adjusted within 10 business days of posting. If the escrow analysis discloses a shortage greater than one month's escrow payment, PHH cannot and does not require repayment of this amount and, instead, PHH has spread any shortage across the monthly escrow payments.

How do I remove the escrow account?

Contact us to request a review of the loan for escrow waiver eligibility. Upon receiving your written request, subject to eligibility based on investor guidelines we will review and send out notification with the decision.

What should I do if the account is escrowed and I received a delinquent tax bill, tax exemption, or tax reduction notice?
